

BIMS Scholarship Applications

Scholarships for continuing students are given from the BSA Parents' Association and various individual donors to Texas A&M University and the Texas A&M Foundation. These scholarships will be derived from the **Continuing Student Scholarship Application/University Scholarship Application which is available from 10/15/2016 through a deadline of 2/1/2017.**

Please make sure that it is as complete as possible with extracurricular activities and financial need information. Consideration will also be given to leadership activities in campus organizations recognized by TAMU. Classifications listed for all scholarships below are for *continuing students (non-incoming)*. All criteria should be met on 2/1/2017.
